**COLLEGE GIVEN \$1,000 TO BETTER FACULTY SALARY**

Gettysburg College was one of fourteen Pennsylvania and one of 125 colleges nationally to receive a grant this week from The Equitable Life Assurance Society. The College received \$1,000 of a \$125,000 contributed by Equitable for the improvement of faculty salaries.

President Willard S. Paul expressing his gratification at the gift said this morning: "We are extremely thankful to The Equitable Life Assurance Society for their generosity to Gettysburg College. For the third consecutive year Equitable Life has come to the aid of the nation's colleges to support us in our efforts to insure the maintenance of a strong faculty to instruct our young men and women. It is a striking example of the growing recognition on the part of industry that it has a great stake in the proper development of the students we train."

**Adopts New Plan**  
For many years The Equitable Life Assurance Company has contributed indirectly to public support educational institutions. In 1955 Equitable adopted a systematic plan for the support of higher education directed especially toward improving faculty salaries in privately supported four-year colleges and universities of significant size with strong liberal art programs. An Advisory Committee of nationally prominent educators assists in the selection of the institutions to receive grants.

During 1957 \$125,000 was distributed to eligible institutions. The figure had been \$100,000 during 1956 and 1955.

Commenting on the plan James F. Oates Jr., Equitable president, said: "Since it is a vital factor that the future leaders of the nation receive the very best in training and education, a moral obligation rests upon industry to provide the necessary support."

Lippy, Hanover, Thursday morning, waived a hearing and posted bond of \$500 for the next session of the York County Court on a charge of operating a motor vehicle while under the influence of intoxicants, filed by Hanover police.

The charge resulted from an accident about 11:35 p.m. Wednesday when Livingston, traveling east on Elm Avenue, failed to stop for the stop sign at Carlisle Street, and then lost control of his machine which crashed into two government mail boxes, pushing one into a new truck owned by the Valley Motor Co. and parked on the firm's parking lot, police said. He was taken before a physician and then lodged in jail to await Thursday's hearing.

Stuckey is free on \$300 bail pending completion of the hearing begun this morning before Snyder. The charge states that Stuckey did not comply with an official request to remove the obstruction.

Stuckey declares he has not obstructed the road. He said his cottage, across the highway from Caledonia Manor, has 33 steps leading up to it and that tenants complained of the strain of walking the stairs. He said he built a ramp which he says does not obstruct the old highway. The new highway is not involved. Ezra Fleckinger Hartman, 60, Alexandria, Va., son of a former Littlestown minister who once served as superintendent of Hoffman Orphanage, took his life early this morning with a 32-caliber revolver while seated in his parked auto in Littlestown.

Dr. C. G. Crist, Adams County coroner, listed the case as a suicide and said two shots had been fired into Hartman's head, back of the left ear at the base of his skull. When his lifeless body was found soon after 7 o'clock this morning, one hand was holding the gun. The time of death was placed at about 6 a.m.

State police from the Gettysburg substation who joined in the investigation said a note was found in the car. "It was not a typical suicide note," one of the officers said, "but there is no doubt that it was a case of suicide despite the fact that two shots were fired."

**Heard Shot At 5:30 a.m.**

Hartman's body was found slumped across the front seat of the car. The door at the driver's seat was partly open. Chief of Police Calvin Mummert of Littlestown said, when the body was found, Mummert found persons living nearby who said they heard the sound of a shot about 5:30 o'clock this morning.

Reports from Littlestown said that Mr. Hartman had been visiting in Littlestown for about a week and had been seeking employment there.

Dr. Crist turned the body over to the Little Funeral Home in Littlestown to be prepared for burial.

The parked auto was found to the rear of the Littlestown engine house and grade school building, north of Hanover St.

Mr. Hartman's widow, the former Jane Crouse of Littlestown, a son and several brothers and sisters are among the survivors.

Funeral arrangements are incomplete.

## 2 SENTENCED AS SPIES FOR SOVIET UNION

NEW YORK (AP)—Jacob Albam, 64, a former Brooklyn tea and spice dealer, and Mrs. Myra Sobie 52, were sentenced to 5½ years in prison each today for spying for the Soviet Union.

Her husband, Jack, 54, a third member of the espionage ring, was to be sentenced later. He was not in court.

All three had pleaded guilty. Albam and Mrs. Sobie appeared shocked when Federal District Judge Richard H. Levett pronounced the sentences.

Mrs. Sobie Weeps  
Throughout the preliminaries the blonde Mrs. Sobie went soft. Albam bespectacled and balding, had stared nervously at the floor, walls and the ceiling.

The reason for not sentencing Sobie immediately was not disclosed. Courtroom spectators were tense as Mrs. Sobie and Albam entered the room. She was wearing a gray, herring-bone patterned cotton dress and nervously fingered a handkerchief.

Came Here As Refugees  
Pacing a corridor outside the courtroom was the Sobies' 17-year-old son, Lawrence, who repeatedly has expressed faith in his parents.

At the time of their arrest last January he said he was "more than 100 per cent certain" they were not spies. After they pleaded guilty last April, the youth said: "Whatever they did it was to protect the lives of my grandparents or other innocent persons."

The Sobies and Albam all came to the United States as European refugees.

## OFFICIALS SEEK MASTERMIND OF SOVIET POLICY

JOHN M. HIGHTOWER

WASHINGTON (AP)—Top American officials are deeply puzzled about who is masterminding Soviet foreign policy now, and U.S. intelligence experts are trying to solve the mystery.

Secretary of State John Foster Dulles, whose brother Allen is head of the Central Intelligence Agency, requested the study. But what Moscow personality it may center upon as the brain behind such things as Russia's maneuvers in the current disarmament talks is at present unknown to high officials here.

The search is a matter of more than personal curiosity. The personality, prejudices, preferences and past record of a top foreign affairs official provides clues to his future actions.

viet Communist party boss Nikita Khrushchev. But some, at least, of the best informed officials here rule him out for much of the time because he is either traveling, receiving foreign Communist leaders or occupied with urgent domestic problems. The same goes for Premier Nikolai Bulganin, whose influence in Soviet policy making is considered to be limited anyway.

The foreign minister is Andrei Gromyko, onetime ambassador in Washington. But authorities here

do not credit him with the high degree of skill or the Kremlin prestige necessary to be the mastermind.

Marshal Georgi Zhukov, World War II hero and present defense minister, who appeared to gain greater power in the recent purge of former Foreign Minister Molotov and other Khrushchev enemies is credited here with having great influence in the ruling circle. But he is not regarded as a man likely to pay constant attention to foreign affairs since his background

is all military and the Defense Ministry is a demanding job in itself.

## Today's Talk

LISTEN — AND THINK!

There is nothing new to the art of listening — yet listening is an art. We learn more by listening than we do by mere talking, for then we have the advantage of thinking — and thinking is what has changed the ways and courses of history. Rodin did a great bronze which he called "The Thinker." It is a simple, yet dramatic creation, and is famous the world over. There is an example at the Cleveland Art Museum and one I have seen in San Francisco. It makes one think just to view this great, powerful sculptured work.

To listen is to be challenged — if we think during the process. I like to read books that make me think, like Stevenson's essays, and those of Montaigne. No one can read anything that Thoreau wrote without thinking, especially his famous book "Walden," a book that stays alive, and always will. The reading of any good book on science, or philosophy, stimulates thought.

There are opportunities for scores of sermons in Emerson's essays. We live over many a happy year by listening to many of the old, familiar songs of yesteryear. Can we ever forget the inspiring, and comforting songs by Stephen Foster or the words of John Howard Payne? Or those early gospel hymns? We do a great deal of thinking as we listen to them. Listen — and think. It's one of the surest routes to added knowledge. Interesting talk always leads to good, and serious thinking. Thoughts are what keep us keen in mind, ready to appreciate good conversation. Our thoughts have more to do in shaping our manner of life, and our destiny, than anything else. "As a man thinketh in his heart, so is he."

Tomorrow Mr. Adams will talk on the subject: "Nature Refuge." Protected, 1957, by The George Matthew Adams Service.

## DOOR JAM

**SAN DIEGO** — The mystery of why radio-operated garage doors in the Point Loma section seemed to just fly open several times daily was solved by the federal communications commission. Vergne Hoke, FCC man, found the doors were being activated by radio signals from navy jet planes coming in for landings. The doors, in turn, were causing interference with the navy's airfield approach system.

## ACCUSES LEADER OF 'SMEAR' IN CINDER CHARGE

**HARRISBURG** — Gov. Leader went "far afield to smear the Republican Party" in accusations of fake cinder deliveries to the state, Republican Chairman George I. Bloom said yesterday. Bloom noted that three former county highway superintendents accused by Leader were Democrats.

"Before this cinder investigation is over, we are informed, scores of Gov. Leader's own appointees may become involved," Bloom said. The governor at a special news conference Tuesday said the state had been defrauded of \$45,000 in fake cinder deliveries in Chester, York and Lancaster counties. He named Frank S. Jamieson, former Chester superintendent; John Creander, former York superintendent and county Democratic chairman; and Philip J. Price, former Lancaster chairman. Price was arrested yesterday on charges of conspiracy and false pretense. He posted \$1,000 bond for appearance before a Dauphin County grand jury.

**Dems Help Seives**  
Leader said the three worked with Victor (Patrikion) Prep of Frackville, a cinder contractor, to defraud the state. The governor referred to Prep as a Republican in his news conference statement. Bloom said that to identify Prep as a Republican was "an unwarranted and despicable smear against the Republican Party."

## Braves Take Longest Lead Of Season As Reds Bow Again And Cubs Sweep Series With Cards

By ED WILKS  
The Associated Press

What are those other National League contenders trying to do, lure the Milwaukee Braves into a false feeling of security?

Any way you look at it, the scramble suddenly has opened up and the Braves are on top with a "whopping" 2½-game lead—their largest of the season. They made it as Cincinnati rolled over again, 5-3, yesterday and the seventh-place Chicago Cubs bopped the second-place St. Louis Cardinals 4-3 for a three-game sweep.

Third-place Brooklyn is five games back, skidding with a 1-2-3 clobbering from the New York Giants. Cincinnati and Philadelphia now are tied for fourth, seven games behind, after the Phillies defeated Pittsburgh 6-3 while the Redlegs lost for the 11th time in 12 games with Milwaukee this season.

### Braves Meet Cards Next

If this is the breakup in the NL log jam, the Braves should know by Sunday night—after a three game set at St. Louis.

In the American League, Washington made it two in a row over New York 6-1 and trimmed the Yankees' lead to five games as Chicago's second-place White Sox defeated Kansas City 7-4. Baltimore regained fifth place from Detroit by defeating Boston 3-1 while the Tigers lost to Cleveland 3-1.

### Sanchez Lost It

Red Schoendienst, the second baseman who was supposed to have brought the Braves the pennant along with his bat and glove when the Giants traded him to Milwaukee June 15, got the job done yesterday. He lined a two-run single in the eighth, breaking a 3-3 tie and bringing Lew Burdette his 10th victory.

Ex-Brave George Crowe hammered his 24th home run and Frank Robinson swatted his 18th in the eighth to junk a 3-1 Milwaukee lead. Reliever Raul Sanchez lost it, loading the bases with two walks and a hit batsman ahead of Schoendienst's hit.

### Six In Row For Cubs

The Cubs won six in a row for the first time since 1955 with a two-run seventh against southpaw Wilmer Mizell that cracked a two-all tie. Singles by Moe Drabowsky, the young right-hander who won his eighth, and Bobby Adams brought in the runs. Dave Hillman blanked the Cards after relieving Drabowsky when a walk and two singles gave the Cards a run in the eighth. Del Ennis had a two-run homer for St. Louis while Stan Musial had two singles and regained the bat lead at 3-4.

The Giants completed a sweep of the last three games in the four-game set with the Dodgers by scoring four runs in the first against ex-pal Sal Maglie. They had 14 hits in all, counting home runs by Willie Mays (26) and Hank Sauer (16). Ruben Gomez won his 12th with a seven-hit job.

### Simmons Needed Help

Philadelphia gave Curt Simmons a 6-0 lead with three runs in the sixth, two on Gran Hamner's home run, but the southpaw needed relief help in the ninth to win his 11th. Bob Miller nailed it after Bob Skinner's home run triggered a three-run Pirate rally. Vern Law lost it.

Russ Kemmerer had given the Yankees only five singles and led 6-0 going into the ninth. Then a single, walk and Enos Slaughter's double saved New York from what would have been its second shut-out of the year. Art Ditmar lost it.

Billy Pierce, the AL's only 15-game winner, gave way to Gerry Staley when the A's scored one in the fourth and cut Chicago's lead to 6-4. Staley blanked 'em on five hits the rest of the way for a 3-0 record. Earl Torgeson, 3-for-4, drove in five runs and hit a pair of homers—the first a three-run.

Tyrone's John Stroup and Robert Nassif powered their team to a 13-6 win over Carrick yesterday in the first round. Stroup hurled a four-hitter and slammed a bases-empty homer while Nassif drove in five tallies.

Susquehanna-Rock advanced on a 16-5 victory over DuBois on six-hit pitching by Marlin Knaub and Larry Wallace's three hits, including one home run.

Mechanicsburg knocked off Lancaster 7-6, Ricard Brandt's homer providing the winning margin. Uniontown romped over the host Chester squad 13-1 behind two-hit pitching by James D. Andrea.

YESTERDAY'S STARS

By THE ASSOCIATED PRESS  
PITCHING — Russ Kemmerer, Senators, shut out Yankees for eight innings on five singles and wound up with a 6-1, seven-hit victory.

BATTING — Earl Torgeson, White Sox, drove in five runs with two home runs, a double and a sacrifice fly in 7-4 victory over Athletics.

## SUGAR HART IS FAVORED OVER VIRGIL AKINS

CLEVELAND (AP) — Although third-ranked Virgil Akins is six notches above Sugar Hart in the most recent Ring Magazine welterweight ratings, Hart has been established as a 7-5 favorite for their televised bout tonight in Cleveland's Public Hall.

Matchmaker Larry Atkins thinks the odds makers are going against the experts because of Hart's frequent and impressive TV battles. Tonight's 10-round bout will be on NBC radio-TV at 9 p.m., EST.

"Sugar was pleased to hear that he's been made the favorite," said the 21-year-old Philadelphia boxer's manager, Marty Stein. "And I'm so optimistic myself that I figure he's only two or three fights away from the welterweight title."

### See Chance At Title

Both Hart and Akins are hoping a victory tonight will put them in the scramble if Carmen Basilio vacates the title next month with a victory over middleweight champion Sugar Ray Robinson.

The 20-year-old Akins, from St. Louis, has won 42 of 59 professional bouts, 23 of them by knockouts.

Akins calls himself a "jab-jab-jabber."

### Not Trying For KO

"My secret," he said, "is to make him fight my fight, and then I can work him over my own way. I won't be going out to knock him out. I'm not that type, but if the opening comes, I'll be ready."

Hart, who has lost only two of 24 fights and has rung up 19 knockouts, said about the same thing. "I used to go for the knockout all the time," he said, "but not any more. I just let him come to me."

Hart's rapid rise was slowed by Walter Byars in a late winter bout. Akins was upset by Franz Szuzina at St. Louis last July 8.

The winners scored three runs without a hit in the third inning on four walks, a wild pitch and a sacrifice fly. Terry Ramer, the winning hurler, scattered four hits and fanned nine for his first win of the season. Ortanna managed but three hits.

Mummasburg squeezed out a 5-4 decision at Cashtown. Originally it was planned to have the teams complete the game of July 29 but it was decided Thursday evening to play the game over at a later date.

## Wynn Ready After Attack Of Gout

CLEVELAND (AP) — Pitcher Early Wynn of the Cleveland Indians will start tonight's game against the Kansas City Athletics after missing his regular pitching assignment because of an attack of the gout.

The big right-hander was scheduled to pitch against Detroit Wednesday but inflammation in the joints of his right hand was so severe he could not grip the ball. He said he was feeling better yesterday and was ready to pitch.

"I'd like to try it. If everything goes well, I can take my regular turn again. If not, I have to take an extra day or two between starts," Wynn said.

## Important Games In Both Leagues Sunday At 2 p.m.

Three games each are scheduled in the South Penn and Pen Mar Baseball Leagues Sunday afternoon at 2 o'clock.

All games hold importance in the South Penn circuit. Littlestown can wrap up the regular season title by winning at Harney, Mummasburg, holding half a game lead in the battle for fourth place, hosts Greenmount.

Bonneauville, seeking to overtake Mummasburg, invades Hunters-town.

Blue Ridge and Union Bridge are currently tied for first place in the Penn-Mar League. Blue Ridge plays at Fairfield Sunday, while Union Bridge is host to Cashtown. Taneytown, one game back of third place Fairfield, entertains Emmitsburg.

## FAVOR GIANTS IN ALL-STAR EARLY CLASSIC

By TED SMITS  
CHICAGO (AP) — Tonight's 24th annual All-Star Football Game pits the slashing running attack of the New York Giants against the untested passing offense of the collegians.

The Giants, National Football League champions, are favored over the All-Stars by 10 points in the season's first big gridiron encounter.

The game will be televised by ABC at 8:30 p.m., EST.

This is an enthusiastic bunch of collegians who have been working out under Coach Curly Lambeau. Never has an All-Star squad boasted such top-flight passers as John Brodie of Stanford, Lennie Dawson of Purdue, Jim Harris of Oklahoma and Paul Hornung of Notre Dame. Since the Giants line is big and tough — and led the NFL defensively last season — it seems only logical for the collegians to pin all their hopes on passing.

### Top Receivers

The All-Stars also have some excellent pass catchers in Ron Kramer and Tom Maentz of Michigan, Brad Bomba of Indiana and Lamar Lundy of Purdue.

To back up the passing threat the college team has some fine breakaway runners in Jim Brown of Syracuse, Tommy McDonald of Oklahoma, Jon Arnett of Southern California and Clarence Peaks of Michigan State.

It is this strong collection of offensive talent that prevents the Giants from being overwhelming favorites. Conceivably, if the All-Stars could score early on a pass or a long run, they might be able to go on and upset the big pro champions.

Even the experts who concede the great potential of the All-Stars, all but one of whom will go on to play professional football this fall, admit time has been too short to weld the individual stars into a smooth running team.

The Giants, on the other hand, have lost only Rosy Grier at tackle out of their 1956 team that swept to the NFL crown by beating the Chicago Bears 47-7 in the championship game.

That situation developed Thursday evening when second-place Littlestown split a two-night double-header with Brushtown at Littlestown, winning the first game 3-0 while dropping the second 5-4, to fall two games behind the league-leaders with only two games remaining.

Dick Barnes tossed a two-hitter for Littlestown in the opening game while striking out six and walking two. He did not allow a runner to get beyond first base.

All of the scoring in the second game was packed into the first two frames, Brushtown winning despite only four hits and thanks to five Littlestown bobbles. Littlestown collected 10 hits. Wolf of Brushtown and Yealy of Littlestown poled home runs.

The Dons piled up a 26-9 lead at half time and went on from there to take a 44-32 decision over the Biglerville Celtics Thursday evening in a Recreation Basketball League game. Elmer Thomas was the top scorer for the winners with 18 tallies while Guise led the Celtics with 13.

"To have Sam Snead breathing down your back is bad enough. But to have the guy in front — oh, man!"

Snead, 45, is supposed to be the richest golf pro. He swung into the second round of golf's biggest treasure hunt with a one-stroke lead.

Snead fired an opening 7-under-par 65 yesterday to gain the front-running spot which over the years he has been known to maintain through a tournament. This prize is golf's biggest payoff — \$50,000 exhibition contract.

Takes Kidding  
"Just tell the boys I have a tin can half full," said the White Sulphur Springs, W. Va., pro who came up through the caddy ranks. He referred to the kidding he has been taking that he has all his money hidden in tin cans under the floor of his home.

But Snead wasn't away and flying after the first round. One stroke away at 66 was Jerry Barber, always a contender in this jamboree. There also was a well-grounded following that included 32 who broke par 72.

At 67 was Canadian Al Baiding. Bracketed at 68, were Shelly Mayfield, Mike Souchak and Dow Finsterwald, who has finished in the money in 56 consecutive tournaments.

List Others  
The 69 shooters included Earl Stewart, Jack Fleck, Tony Holguin, Ken Venturi, Bob Rosburg, Bo Wininger and Ernie Vossler.

Bob Ross Jr., 20-year-old state amateur champion from Springfield, Ohio, shot 71 for a one-stroke edge over defending champion Ward Wetlaufer, Buffalo, and All American titlist Don Cherry.

Clifford Ann Creed of Opelousas, La., topped the women amateurs with 81. She was two strokes ahead of Lois Drafke, Chicago.

Marilyn Smith, playing one of her finest rounds in two years, notched a 5-under-par 71 to lead the women's pro chase for a \$6,000 first prize. Two strokes away was Mary Lena Faulk.

Ball Manager Shot By Negro Porter  
PONCA CITY, Okla. (AP) — J.C. Dunn, manager of the Ardmore Cardinals of the Sooner State Baseball League, was shot twice by a Negro hotel porter during a game last night, police said.

James Johnson, about 32, was taken into custody by a patrolman at the ballpark.

Police said the Ardmore team had an argument earlier with the porter.

Physicians said Dunn's condition was not critical. They said one bullet bounced off a rib and the other was lacerated in his right thigh.

Tom Anderson, trainer for the Ardmore club, said he saw Johnson start shooting into a group of Ardmore players near the dugout with a pistol.

The game was called off after the shooting.

## James MARLOW Reports

The Associated Press

WASHINGTON — The civil rights bill is like the umbrella of an eccentric old lady who stuffed it with all kinds of things, like ribbons, bottlecaps, broken combs and banana peels. The deeper you dig, the more you find.

The lengthy debate developed several provisions which brought surprise to legislators and others who hadn't realized they were in the bill.

Now there is concern about a section in the bill which was almost completely overlooked. It got a passing mention in the House debate, which lasted from June 5 to 18, and a brief mention in the Senate, which debated from July 8 to Aug. 7.

### Two-Year Study

Under Section 1 of the bill, now passed by the House and Senate, a commission would be created to examine all kinds of civil rights problems for two years. It could hold hearings in the open or behind closed doors.

Subsection G of Section 1 says: "Anyone who 'released or used' information obtained by the com-

mission behind closed doors, in executive session, could be fined up to \$1,000 or jailed for a year. The word "used" would seem to mean that a newspaperman who got such information — and used it — could be fined or jailed. A court might, and perhaps would, so interpret it. This raises a question of censorship of the press.

### Rules Written In

How did Subsection G get into the bill and what was the purpose behind it? The Justice Department, which wrote the bill, didn't put it in. It was put in by the House Judiciary Committee before it approved the bill and sent it to the full House for a vote. This was done in an executive session of the committee.

Members of congressional committees are not supposed to talk sessions, any more than members about what goes on in executive sessions, any more than members of the proposed civil rights commission would be supposed to say what happens in their executive sessions.

Nevertheless, this writer learned: As the bill came to the committee from the Justice Department, it contained no rules for the commission's operations. So the committee members wrote in rules.

### Not Aimed At Press

Then came the question of how to stop leaks on what happened in executive sessions of the commission. Rep. Walter (D-Pa.) proposed the \$1,000 fine or year in jail for anyone who gave out or

## HAS ANSWER FOR DRIVING CHARGE

BEAVER FALLS — Samuel G. Neff, manager of the State Workmen's Insurance Fund, says he is prepared to answer any summons stemming from charges an auto registered in his name was operated recklessly.

Neff, who also is Democratic chairman of Beaver County, said last night he had not been contacted by Beaver Falls police or traffic officials about any information citing him as owner of the auto.

Police Chief Ted Smith earlier filed the information in order, Smith said, to drive Neff to identify the driver of the auto or accept responsibility for alleged motor vehicle code violations.

70 M. P. H.

Smith said an auto registered in Neff's name was driven through Beaver Falls early last Saturday at speeds estimated at 70 miles per hour. The auto also ran through a stoplight and failed to heed a patrolman's signal to halt, Smith said.

Neff said his 20-year-old son, Theodore, owns a car that is registered in the elder Neff's name because the boy is a minor.

Neff said he was out of town over the weekend and that his son departed Saturday for National Guard training at Indiantown Gap.

used such information. Was this aimed at newspapers?

This writer asked the senior members of the committee, both of New York: Representatives Celler, Democrat and chairman, and Keating, the top-ranking Republican. Both said the committee was not aiming at newspapers when it wrote the penalty.

Both said that if this bill becomes law, they would back an amendment to exclude newspapers from this penalty. Keating said he would propose such an amendment himself. Why not take it out now before it becomes law?

Keating and Celler said they doubt if it could be removed from the bill now because, while both houses differed on other parts of the bill, both agreed on Subsection G.

## FOREIGN AID BILL SLASHED BY CONFEREES

WASHINGTON — Congress was presented today with a \$3,386,000,000 foreign aid program embodying a first step toward a long-range program of economic help abroad.

President Eisenhower has urged such a program.

Senate and House conferees agreed last night on a compromise foreign aid bill, slashed \$498,410,000 below the \$3,884,410,000 Eisenhower asked for military, economic and technical assistance abroad. In doing so, the conferees just about split the 500½ million difference between Senate and House totals.

The totals may be cut even deeper in a later appropriations bill to finance the spending for which the foreign aid bill sets ceilings. But the compromise measure represents a partial congressional acceptance of the long-range concept.

House conferees agreed to two-year authority for Eisenhower's proposed fund for making loans to underdeveloped countries for long-range economic development. The original House bill had limited the proposed fund to one year.

Senate conferees, in turn, agreed to drop their insistence on a three-year fund, and to accept the House version on how the fund should be operated.

Under the compromise bill, the President would be empowered to establish the fund within the International Cooperation Administration. The measure would authorize a 500-million-dollar appropriation for the fund this year, plus an additional 625 millions for the fiscal year starting next July 1. This would mean the administration would have to come back to Congress next year for actual money to run the fund in its second year.

## 22-Months-Old Boy Stabs Dad With Knife

POTTSVILLE, Pa. — A young father is in critical condition today from a wound police say was given him by a steak knife in the hands of his 22-month-old son.

State Police Cpl. Jonah Reese said the father, Thomas Norris, 26, New Philadelphia, told him he was playing on the living room sofa with his boy when Thomas Jr. plunged the six-inch steak knife three inches into his chest near the heart.

Norris told Reese he had left the knife under the sofa after using it to fix the television set. He said he had no idea the child had found the knife until the youngster stabbed him.

Before he was named to the U. S. Supreme Court in 1939, Justice William O. Douglas was chairman of the Securities and Exchange Commission.

ELIZABETHTOWN, Pa. (AP)—An automobile crashed head-on into a loaded tractor-trailer truck on Route 230 a mile east of Elizabethtown last night, killing Frederick C. Gerlitzki, 25, of Florin, Pa.

State police said the Gerlitzki car had been traveling in the center lane and clipped the rear of another car as it moved back into the right-hand lane. This sent the car across the highway into a tractor-trailer driven by Thomas H. Mathews of East New Market, Md., officers said.

Gerlitzki's car was driven under the cab of the truck and it took more than 90 minutes to remove the body from the wreckage. The victim was a Korean veteran. He was married and had one child.

Would you like to be able to go to a retreat like this when you are worried—a place where you could be alone with your thoughts—a place where you could untangle your problems?

If you would, then you are like most people. Everyone needs a retreat, at moments. And everyone has one! It isn't a mountain cabin or a seaside cottage—but it is a place far better suited to prayer and contemplation, a place to sort out old errors and make new resolutions. It is your church.

Let your church be your sanctuary. Go to it when you are troubled. You will find within its walls your moment of peace, and you will walk out into the street again far better able to make the most of your life.

## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church: They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Sunday School Lesson

By H. R. and M. C. Gold

HANNAH, A WOMAN WHO KEPT HER PROMISE

I Samuel 1:9-11, 20-28

Key Verse: I will pay thee my vows, that which my lips uttered and my mouth promised when I was in trouble. Psalm 66:13-14

In a day when promises are made lightly and broken easily the lesson about Hannah keeping her sacred promise to God is most apropos. Why she kept her vow and at what great sacrifice is the principal theme. Hannah's only claim to fame rests upon her faithfulness, for she dedicated her unborn son to the service of God.

The narrative of Hannah and her son Samuel brings into focus the plight of Israel in the eleventh century before Christ. It was in the time of the Judges and the tribes of Israel were struggling to hold Canaan. As a result of these conditions, their religion had suffered; this is shown in the weakness of the priest Eli.

It seems that the hope of Israel depended upon the prayers and dedication of Hannah. Although she was one of Elkanah's two wives, theirs was a worshipping family. Because she had born no children, she was the object of the other wife's (Peninnah) taunts. Hannah's misery can be understood for motherhood meant much to a Hebrew woman. However, in spite of the polygamy of that day, the ideal of love was never lost in a Hebrew marriage.

Elkanah was a god-fearing man, too, and each year he and his family traveled from Ephraim to Shiloh to worship in the Temple and make sacrifices to the Lord. There is the temple in view of Eli, the priest. Hannah prayed for a son and made her vow. When God answered her prayer and she bore a son, she called him Samuel, meaning "asked for." The time for the annual journey came again but Hannah did not go. She told her husband, "As soon as the child is weaned, I will bring him, that he may appear in the presence of the Lord, and abide there forever." Elkanah was satisfied but he encouraged his favorite wife to be faithful to her vow.

And so, when the child Samuel was weaned (between 2 and 3 years according to custom,) she took him to the house of the Lord of Shiloh. She had taken along a 3-year-old bull, an ephah of flour, and a skin of wine. They slew the bull for sacrifice and brought the child to Eli. She said to him, "Oh, my lord! As you live, my lord, I am the woman who was standing here in your presence, praying to the Lord. For this child I prayed; and the Lord has granted me my petition—Therefore, I have lent him to the Lord; as long as he lives, he is lent to the Lord." This was a remarkable sacrifice for a mother to make, especially at such a tender age.

**Emphasis In Home**  
If Hannah's example were followed more widely in modern times, the pulpits of all of our churches would be filled. Seminars can train young men for the ministry but they cannot rear them. The Christian home is the place where Christian ideals and Christian vocation must be emphasized and encouraged. Praying mothers, who, like Hannah, are unselfish and dedicated must provide the inspiration and guidance in directing young people into full-time service in the Church.

The song of Hannah expresses the depth of her gratitude to God for sending a son. Carroll Voss in "Women of the Old Testament" says: "Hannah's song is not only a great poem, but it is unusual because of its utter freedom from all personality. Most of us in giving thanks make mention of all the personal benefits which have come to us. But Hannah expresses her gratitude not merely as an individual whose petition has been granted, but as one who feels her own answer to prayer contains the promise of God's nearness to all who call upon Him."

Hannah's love for her son was shown in many ways, for she fashioned a new robe or coat for him each year. Into those stitches and the cloth she likely wove went the prayers and hopes of a devout mother. The successful mother is measured by the character of her children, and Samuel became a prophet of the Lord—a leader who was the last of the judges and the first of Israel's prophets.

**Car Hits Steel Cable Stretched Across Road**

ALBANY, N.Y. (AP)—A man was killed and another was injured critically today when the car in which they were riding crashed into a taut steel cable. The cable had been stretched across a rural road by a highway crew removing trees and stumps six miles north of Bath, Steuben County.

## 4,175,217 Motor Vehicles Registered By Pennsylvania

The Bureau of Motor Vehicles completed its 51st year of service to the motoring public of Pennsylvania by registering a record total of 4,175,217 vehicles for 1956. Deputy Secretary of Revenue Joseph Andrews revealed today.

Passenger cars totaled 3,358,967 for the 1956 registration year, which ended March 31, 1957. Andrews announced, while commercial vehicles totaled 568,444 for the year which ended May 31, 1957. The balance of the registrations include motor buses, motorcycles, trailers-tractors, and dealers.

The 1956 registrations increased 130,000 over the 1955 registration year with 123,000 of this total attributed to passenger cars.

**Receipts Set Record**  
The total receipts for the 1956 registration year — \$78,892,026 — were a new high. This figure also includes fees paid for operators' licenses, learners' permits, titles, etc., and compares with the 1955 receipts of \$70,309,700. Increased commercial vehicles fees for the 1956 registration year accounted for the major portion of the additional receipts, Andrews pointed out.

Licensed operators totaled 4,791,141 during 1956, as against 4,640,497 for the 1955 registration year. Charles M. Dougherty, Director of the Bureau of Motor Vehicles announced.

Director Dougherty said the 1956 registration and receipt figures compare with the 10,954 vehicles registered during 1906 — the first year the Bureau maintained records — with receipts totaling \$42,460.

The Bureau's records on licensed operators date back to 1914 when 24,126 persons had permits to drive cars on Pennsylvania's highways.

## Freak Wind Wrecks Firemen's Carnival

STROUDSBURG, Pa. (AP) — The Stroudsburg Twp. Volunteer Firemen's Carnival, struck by a freak windstorm, rushed repair work for a scheduled reopening today.

The storm yesterday blew down a large tent on the carnival grounds, scattering and smashing the goods inside. A carnival workman was slightly injured by falling canvas. Damage was estimated at about \$1,500.

The storm, which hit only the carnival grounds, was described by the Weather Bureau as a wind eddy, an intensely localized disturbance.

The Rev. and Mrs. John Astor, Los Angeles, Calif., (above) will conduct a series of special services in the air-conditioned Foursquare Gospel Church beginning Sunday evening at 7:30 o'clock. Services will continue each evening, except Mondays, at 7:30.

Both will offer instrumental and vocal selections. They conduct a service of praying for the ill. The Rev. Mr. Astor is a former Los Angeles policeman.

A 25-minute sound film, "The Life of Paul, Crowned and Crucified," will be shown at the Youth service at the church Saturday evening at 7:45 o'clock.

## GRAHAM PLANS TIMES SQUARE MASS MEETING

NEW YORK (AP) — Evangelist Billy Graham plans to wind up his New York crusade with a mass meeting in Times Square Sunday night, Sept. 1.

The Times Square meeting will begin at 7 p.m., and Graham said it will be brief so as not to hold up traffic too long at "the Crossroads of the World." Times Square is almost never used as a meeting place.

Graham told his Madison Square Garden audience last night the city has given permission for the Times Square meeting. Detailed plans for the rally are still to be worked out. The square would have to be closed to traffic, and the side streets roped off.

The Times Square rally, Graham noted, will bring to a close the longest evangelical crusade in his career. The crusade started May 15 and it will be 15 1/2 weeks old as of Sept. 1. His 12-week crusade in London was his longest.

## Says Pioneers Were Miserable, Sickly

TAMPA, Fla. (AP) — The popular conception of the American pioneer as a hardy specimen of near physical perfection is largely a myth, a Tampa history teacher maintains.

"A formidable number of the pioneers . . . were miserable, sickly creatures," Dr. J. Ryan Beiser of the University of Tampa said.

The vigorous, broad-chested men and blossoming women of novels and movies give a far from accurate picture, Beiser said.

"Frequent accidents, the effects of exposure, decaying vegetables, swamps, poor food habits, lack of sanitation and hygiene, and inadequate knowledge for prevention and cure of disease" outweighed the natural health benefits of an active outdoor life, he added.

prior to this, Graham's last meeting at Madison Square Garden will be Saturday night, Aug. 31.

At last night's meeting, 390 persons stepped forward to make "decisions for Christ." This raised the total to 43,830. Total attendance at the 76 meetings stands at 1,446,500. Last night's drew 17,500 persons.

HARRISBURG (AP) — A tentative General State Authority allocation of one million dollars was made yesterday for purchase of land for state teachers colleges.

The allocation was approved by the Priority Committee of the authority and is subject to further approval later this month by the authority.
